

# **Girls work - under threat or a new dawn?**

**A one day conference for women  
working with girls and young women**

**Tuesday 8<sup>th</sup> September 2009  
at  
Hinsley Hall, Leeds**

**£95.00 per person (plus VAT) including lunch.**

Youth work with young women has a long history, but an uncertain future. Due to targets, current funding mechanisms and a focus on troublesome male youth. This one day conference of presentations, workshops, and group work will seek to draw lessons from past and present practice. It will consider how we can find ways in which girls work can develop and expand in the future.
